Papers Submission Deadline
30 September 2006

Notification of Acceptance
4 December 2006
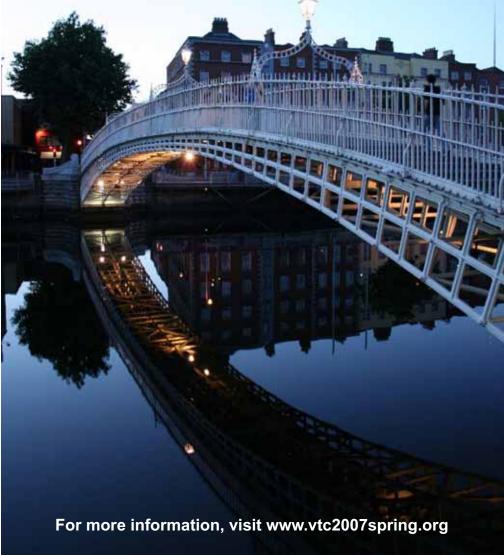

Camera-Ready Papers Due
29 January 2007

VTC2007-Spring
DUBLIN
Towards Truly Ubiquitous Wireless Systems

2007 IEEE 65th Vehicular Technology Conference
23–25 April 2007   Dublin, Ireland

The 65th IEEE Vehicular Technology Conference will be held 23–25 April 2007, in the capital of the Celtic Tiger, Dublin. The conference will bring together individuals from academia, government, and industry, to discuss and exchange ideas in the fields of wireless and vehicular technology. The conference will feature world-class plenary speakers, tutorials, and technical as well as applications sessions.

For more information, visit www.vtc2007spring.org

The technical program committee invites the submission of original, unpublished technical papers in the following areas.

Transportation
Mobile Satellite Systems
Antennas and Propagation
Transmission Technologies
Wireless Access
Mobile Networks and Systems
Mobile Applications
Ad-hoc and Sensor Networks
Ambient and
Pervasive Wireless Systems
Wireless Value-Chain

Prospective authors are encouraged to submit a 5-page full paper (or a 2-page extended abstract including results) through the conference web site.

General Co-chairs
Lawrence Cowsar
Bell Labs Ireland

Donal O'Mahony
CTVR, Trinity College Dublin

Technical Program Chair
Dirk Pesch
Cork Institute of Technology

Tutorials and
A**pplications Sessions Chair**
Lajos Hanzo
Southampton University, UK

Speakers Chair
Javier Gozalvez
Univ. Miguel Hernandez, Spain

Publicity
Kieran Delaney
Cork Institute of Technology

Local Arrangements
David Lewis
KDEG, Trinity College Dublin
